*I'd like to thank Lewis Etheridge, John Estess, Wes Lowman, Joyce and Lewis Johnson and Cheryl Lowery for coming out to help us prepare for the rising waters on such a short notice.*

*This is the time of year when our Snowbirds are heading home and only the truly dedicated "Desert Rats" stick around to enjoy triple-digit days and warm evenings.*

*We just went through another very tough winter, but that doesn't stop us from remembering all the good times we had last season and looking forward to how we can improve this year.*

Many of our Winter guests have stayed on a bit longer than usual this year; some because they were having way too much fun and others

We are getting a lot of new campers this year, along with our regulars, and I think one reason is "cabin feveritus",

from the winter we just went through. But I also think some of it is the unrest the whole world is going through. Maybe we just need to get away with our families and friends to enjoy life and meet

new friends. We have so much to offer out here; we are in the country but so close to everything.

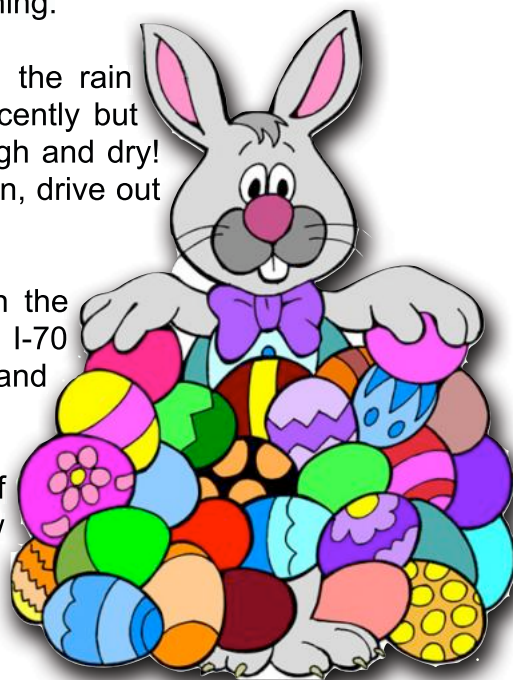

I'm sure you heard about all the rain that was dumped on Ohio recently but not to worry, we are sitting high and dry! So don't miss out on all the fun, drive out for a visit.

Like I always say, we are on the way to everywhere; take the I-70 to exit 62, go east 3/4 mile and we're on the left.

Remember, no act of kindness, no matter how small, is never wasted.

We'll leave a light on for you.

the debris left by the flood waters. Ya'll are the best! Thanks again.

Some of our campers enjoyed Mardi Gras parades in New Orleans and caught a bunch of beads, doubloons and cups. They also caught cabbage, turnip roots, carrots and cucumbers thrown at the Saint Patrick's Day parades. While some enjoyed parades, others attended the Kid Rock concert in Jackson.
